

## Live Classes for ESIC DD exam

First thing, the objective of Live Classes is not to cover entire syllabus. We have already shared recorded video classes of 100% syllabus on online LMS. You have to cover the syllabus primarily from Recorded Video Classes.

The Live Classes have 2 main objectives:

- (i) To give a platform to students, where they can clarify the doubts directly with the teacher.
- (ii) Teaching selected topics that are considered more difficult.

We will start Live classes, exactly 1 month after the notification is out by the UPSC. There will be around 40 classes over 2 months. Each week, there will be 4-5 classes of 1.5 hours each.

Classes can happen on any of these times:

- 1. 5 PM or 7 PM during weekdays
- 2. Anytime during Weekends

You will get a weekly schedule on every Saturday for the next week. The schedule will look something like this:

Monday 5 pm- HRM Class

Tuesday 7 pm- Accounting Class

Wednesday- off day

Saturday 2 pm- Aptitude Class
